

## **EAST TEXAS CUSTOM KNIFE SHOW**

This event will be taking place in Ben Wheeler, Texas. The event is being put on by multiple businesses in the community, including The Blade Bar and Moore's Store. The vendors will be set up throughout the Downtown Ben Wheeler Area, there will be the option to forge at your booth - Just let us know that you plan to, so we can make sure you are set up in an area that you can.

When you arrive please check in at The Blade Bar, we will get you all the info you need, let you know where to set up for the event, and get things going for you! We are generally setting up based on a 10ft x 10 ft space. If you are needing something different please note that below. We recommend a pop up tent in order to shield from the sun, but we do not require you to set up with one. You will want to bring your own table and chairs as these will not be provided.

This is a family friendly event and we do ask that you ensure that all items and materials at your booth reflect such. Rhiannon Sibley and The Blade Bar reserve the right to refuse admission to any vendor for any reason, or ask that an item be removed from the table if it does not fit within our standards. We do ask that knives being sold at this event be ones that you have personally made, we are not allowing the resale of blades that were not handmade, as we want to show off the talent of custom knife makers. Rhiannon Sibley and The Blade Bar cannot and will not assume responsibility of any kind in the event of any injury, accident, damage, or theft related to any person(s), their guest(s), or their wares.

By participating in this event as a vendor, during and outside of event hours and while on venue premises, you authorize and agree to allow, yourself, your booth & wares, and any guest(s) who may be participating in this event on your behalf, to be photographed, and/or videotaped, and for any such photographs or videos to be used and/or published in any media form for marketing, promotion, or display purposes, by Rhiannon Sibley and The Blade Bar or other local businesses, or any of their representatives, for this or any future events or other marketing. Additionally, you understand that you will not be compensated for said photographs or videos. Every effort has been made to make the show successful.
